Mr. Philip Lovejoy, sec.  
Rotary International.  
35 East Wacker Drive,  
Chicago. Ill.  
U.S.A.

Dear "Philip",

I have receive your letter on the occasion of me election as president of our local club; although I am not at present in office I realise that it is a "thrilling experience", you could be assured that I shall do my very best to help my club, my fellow-Rotarians and with their help, we shall have our organization more and more appreciated by the population of our city.

I was speaking to the new President International yesterday on the phone, I have invited him to come and visit us, imagine our happiness when he accepted; the nomination of Arthur Lagueux is a great honor for our country, our province and our nationality, French-Canada is proud of his son and we know that all the entire Rotary organization will offer him its cooperation and respect.

Here in Baie Comeau we want to do our humble effort to accomplish a very active year and in days of
