Dear Arthur & Christine

Just a line to congratulate you both on the splendid manner you carried out your duties at Alouette City. I was proud to be from Canada with you. The reaction from the floor of the meeting was very favorable, you won the hearts of all. I am sure you both had a successful year. And both looked fine. Hoping to see you in Mexico City. Best wishes for every thing that good to you all.

I am yours in Retains
John
