## World President Of Rotary To Visit Sydney On Aug. 2

The Sydney Rotary Club is busy preparing for the visit on Aug. 2 of Arthur Lagueux of Quebec City, president of Rotary International.

Club president Pat Patterson announced today that a joint meeting of all Cape Breton Rotary clubs would be held Aug. 2 at the Navy League Centre to welcome the first Canadian to ever hold the highest office in Rotary.

The occasion will mark the first visit of an International president to Cape Breton.

Mr. Lagueux, one of Canada's most prominent business men, gained the high honor this year at the Rotary Convention in Detroit.

He will be chief speaker at the Aug. 2 meeting and the wives of Rotarians have been invited to attend. Officials from other service clubs also will be in attendance.

Mr. Lagueux, accompanied by his wife, will remain here only for a few hours before departing for Newfoundland.
