Chicago, Ill. U.S.A.

Dear Secretary Phil:

I am pleased to provide the following information requested by you by letter dated August 4th. in relation to the visit here of Rotary International Arthur Lagueux and Rotaryann Christine on August 3rd. 1950.

We had a most delightful visit. The day was perfect, so perfect in fact that at yesterdays regular luncheon meeting President Ray was pleased to confer Honorary Membership on the weather man.

I am enclosing newspaper clippings, some written by our public relations committee and the coverage of the day's programme by regular newspaper reporters, also some of the pictures taken by the newspaper people. We do hope some of them find their way into the magazine. The answers to the particular information you require are:

<u>Type of Meeting.</u>	Purely club as there are no other clubs in Nfld.
<u>Number Rotarians Present.</u>	84 75.67% (Many away on vacation)
<u>Number Ladies Present.</u>	10 (Rotaryanns)
<u>Official Club Guests.</u>	14 Ladies and gentlemen as per back page of programme.
<u>Total in attendance.</u>	108 (Total capacity of Old Colony Club 110)
<u>No. Clubs represented.</u>	1 (In an effort to fulfill R. I. President Arthur's "Fifth Object" we hope to do something about getting one or two other clubs going in Nfld. this year.)

I am enclosing our Official Programme which, we think, was really nice. Also enclosed are my spokesman before and after the visit. We enjoyed our visitors very much and we firmly believe they enjoyed their day with us.

The next question is, when may we expect a visit from your good self? I have often told our members of your dynamic personality and great oratorical powers. We are really looking forward to that day.

Kindest regards,

Herbert "Herb" K. Wyatt
Honorary Secretary.
