Mr. George R. Means
Assistant General Secretary
35 East Wacker Drive
Chicago, U.S.A.

Dear George:

Your letter of 23rd. August is at hand. I have consulted with President M. L. Gleeson of the Fort William Club and President Harry Black of the Port Arthur Club, both are delighted that President Arthur will address the Clubs Tuesday evening September 25th. As the Port Arthur Club's regular meeting day is on Tuesday I have suggested to the two Presidents that they have the meeting in Port Arthur. It is intended to extend an invitation to neighbouring Clubs like Dryden, Sioux Lookout, Kenora and International Falls.

During your stay here Arthur and Christina will be house guests of Grace and myself.

It is a long trip from London, Ontario to Fort William and it will be well to arrange his travel schedule with this in mind. In order for him to get a plane with direct service to Fort William. He will have to take a plane from London to Toronto and transfer to a mainline plane from Toronto to Fort William, that means he must get a morning flight out of Toronto around 10 a.m. I suggest that you schedule the return flight from Fort William, keeping in mind the exigencies of air travel and the necessity of some flexibility as to the time of flight.

I note that Arthur will be back in Quebec Sept. 15th. I shall have a letter to him there awaiting his arrival home.

Yours sincerely,

ccm:eo
