Chicago, Ill.

Dear George:

Acknowledging your letter of August 23rd,
the matter of President Lagueux whose visit to the London
Rotary Club, Monday September 25th, has today been reviewed
by our Directors and we consider it a pleasure and an honour
to have his visit with Mrs. Lagueux on the above date.

Sent 8/30

Arrangements will be completed with our own
club and clubs of surrounding territory. We would appreciate
material for publicity of President Arthur's visit which we
can arrange with the local press.

Would you be good enough to advise us the time
of arrival of President Lagueux and his wife in London, also
if hotel reservations will be necessary.

Yours very truly,

THE ROTARY CLUB OF LONDON

President
