Arthur Lagueux, President
Rotary International
105 Cote de la Montagne
Quebec, Quebec, Canada

Club not full

Dear Arthur:

When I was present at your election and fine inaugural address at Detroit last June, two thoughts were uppermost in my mind. One, the tremendous demands which would be made upon your time and energy during your year as President of Rotary International and, second, that the presence of Arthur Lagueux on the occasion of the 40th Anniversary of the founding of the Rotary Club of Pittsburgh on December 6, 1950, might be the high spot in my own year as President of the Pittsburgh Club.

Being sensitive to your tremendous responsibilities, I hesitated for a long time to add this invitation to your itinerary. I am assured, however, by my good friend, Van Churchill, as well as by Governor Karl Knapp that an invitation to be present with us in Pittsburgh, on this occasion which is so important to our club, would not constitute an imposition and that it would receive your earnest consideration. I am also strengthened in this belief upon learning from Karl Knapp today that your Secretary Margaret Nash had indicated that I may extend this invitation to you.

May I therefore, formally extend an earnest invitation to Mrs. Lagueux and yourself, that if your itinerary permits, you plan to be our guests for this important anniversary?

We will do everything within our power to make your visit a most pleasant one and I am sure that the many hundreds of Rotarians in District No. 260 will derive the same heart warming inspiration experienced by those of us who met you in Detroit.

Needless to say, I shall await your reply with eagerness and anticipation.

Cordially and Rotarily,

Denny
GEORGE H. DENNISON, President
ROTARY CLUB OF PITTSBURGH
