Dear Miss Nash:

As requested in your letter of December 7th., I am enclosing newspaper clippings from the Watertown Daily Times and Syracuse Post Standard's Watertown branch edition. I am also enclosing 2 copies of the Watertown "WaterWheel", which were used as programs at the dinner also copies of letters mailed out to all Governors, Past District Governors and R.I. committee men as well as Presidents and Secretaries of clubs in the 250, 251, 253, 255 and 285th Districts.

The meeting was interdistrict and international. There were 211 Rotarians and 23 guests present making a total of 234 men. Mrs Taylor, wife of George Taylor, District Governor of the 253rd. District, Mrs Hyatt, wife of District Gov. Vernon Hyatt of the 251st. District, Mrs. Scott wife of President Clarence Scott of the Watertown Club and Mrs. Simpson, wife of Dr. Eric Simpson, Vice President of our club had seats in the balcony, where they enjoyed the program following having their dinner in the Grill. Thirty-four (34) clubs outside Watertown were represented with eighty-six visiting Rotarians as follows:

| District 250 | New York State | 7 |

It was a gala occasion and we all enjoyed President Arthur's visit. We are very proud that we had the honor and pleasure of having him in Watertown. The Dinner was excellent and everyone seemed to enjoy themselves. The newspaper publicity covers the case much more ably than I can hope to do.

Sincerely Yours,
