RALPH WIBER, GOVERNOR  
OGDENSBURG, N. Y.

*rec'd Dec 22*

December 20, 1950

Mr. Albert Bantham  
246 State Street  
Schnectady, New York

Dear Albert:

I am in receipt of your letter of December 5th, leaving it rather indefinite as to whether or not you will be in Watertown on December 28th. I trust that you have reached a decision by this time and will plan to be there early in the afternoon. The purpose of this letter is to ascertain the approximate time of your arrival to meet with you, John Gooch, Jean-Marie LaChance and President Arthur, as you suggested.

As you probably know we had a wonderful time at Cornwall. The men of the Massena Club, though inexperienced in Rotary, did as good a job with the Cornwall Charter Night program as some of the more experienced clubs I have seen. Jean-Marie contributed no small share both in the formation of the club and in securing President Arthur's attendance as a speaker that night. President Arthur, of course, did an inspiring job and the program, considering its extent, terminated in good season.

There are no new developments in extension work at the moment but this is only a temporary lull, I hope, during the Christmas holidays.

Rotarily yours,

*Ralph Wiber*
