

ROTARY INTERNATIONAL GOVERNOR'S MONTHLY LETTER

OFFICE OF GOVERNOR OF DISTRICT NO. 165

J. C. "CLIFF" MOFFITT
BOX 309, PROVO, UTAH

o. 1

JULY 1950

On the front page of the July ROTARIAN you will see the eminent gentleman who "heads" Rotary International for "our year." On page 7, you will see President Arthur, his wife Christine, and their three children. Those of us who personally saw and heard Arthur at the Assembly or the Detroit convention were greatly impressed by him. We read you his proposed FIVE GOALS for the oncoming year.

ARTHUR LAGUEUX NIGHT was held on July 7 in Quebec. The single remaining charter member of the Quebec Club said, "Arthur is an ideal man for president -- calm, dignified, judicial and with a tremendous capacity for work. He has the spirit of youth in his heart."

The prestige of Rotary may be noted by the fact that the occasional "faker" uses a Rotary pin or declares himself to be a Rotarian in order to advance some personal gain. Officials in charge are urged to make certain that each individual entering a Rotary Club meeting is there as a guest of some Rotarian responsible for the guest or if a visitor is a bonafide member of an existing Rotary Club.

It need not be embarrassing to "brief" a potential speaker at a Rotary meeting. We may frequently be disappointed and embarrassed in the speech unless it is known in advance some thing of the person who is to make an address and something of the content of the speech.

APOLOGY IS EXTENDED for lack of official appearance of this letterhead. Lack of understanding of printers and my absence from home are at fault. Hereafter, Governor letters will come earlier in the month.

Cliff Moffitt
Governor, District 165
