Dear Arthur and Christine:

Just a short note to tell you both how much Barbara and I enjoyed our visit with you last Sunday at the Mission Inn. Our one wish was that your stay with us could have been longer.

The Rotarians from our club and myself enjoyed the meeting at Brawley a great deal, and we thought that it was handled very efficiently.

*has arrived*

Yesterday I expressed a box of oranges to you, and I hope that they arrive about the time you do.

Barbara and I send you our best regards, and wish you a pleasant trip to Europe.

Sincerely,

*Harry*
