Dear President Arthur
and Rotary's First Lady Christine:

A week has gone by since you gave to us the thrill of our life, with your friendly visit to this area.

The visit itself to this area which has never before had the honour of being host to an International Service Club President, was an expression of thoughtfulness on your part. Your willingness to go all out to become a friend to individual Rotarians from all over our district (incidentally, we had guests from 56 Rotary Clubs, 48 clubs within District 162, 1 club from Portland Oregon District 160, 2 clubs from Mexico District 107, 1 club from Los Angeles District 160, 1 club from Kawance, Illinois District 212, 1 club from Anchorage, Alaska District 151, 1 club from Wenatchee, Washington District 153 and 1 club from Yuma, Arizona District 166) demonstrated the salient feature of your fine heart warming message. Then the gesture offered and so beautifully done by Rotary's First Lady Christine when she spoke those few but vital friendly words in Spanish to our friends below the border climaxed the event which we will remember when we can say years have gone by.

Thanks, thanks, thanks,
