TOWSON (MD.) ROTARY MEETS HILLENDALE COUNTRY CLUB - 6:15 P.M. - Thursday, Jan. 18.  
40 - THE ROTARIAN - YES - 40 - THAT'S RIGHT - 40 - As you readily will note by reading your ROTARIAN for January. The 40th birthday comes Thursday. Doc Sensenbarr urges one and all to thoroughly read your January Rotarian. No "home work" - but come prepared!

The happiest miser on earth is the man who saves up every friend.

### DE SENECTUTE

Age is not eyes, nor teeth, nor hair  
But simply a thing that's suddenly there.  
It seems you are hardly a moment older  
When all at once it's behind your shoulder;  
And you, of course, are the last to see it,  
Although, perforce, it's your fate to be it.

Age is not months or years that pass  
But a careless glance in a morning glass.  
Age, for a man, is what occurs  
When his path begins to be strewn with "Sirs".  
It's opened doors, and standing youth -  
And mounting odds that you'll die unhung.

- Ben Ray Redman

(And how, walking a mile to the last coach on the 11 P.M. Pennsy, with an Inner Wheel Treasurer and a Past Pres. of Rotary, we manage to scramble aboard on the final "up-wit-cha!" - and there at the far end is one vacancy for a lady and one gentlemen (!) so graciously insists our having his seat while two on "ash cans" engage vociferously in discussion of spiralling inflation - well, 'tis a Grand and Glorious feeling - we would rather not loaf!)

"Learn a lesson from the bees - you must keep humming with activity to get sweet results."

R.I. PRESIDENT ARTHUR LAGUEUX honored by the 267th District.

Seldom indeed is one privileged to honor an esteemed President of Rotary International in so a United Nations manner as were well over 400 Rotarians from this Maryland and D.C. District and nearby.

The length of the main ballroom of the Mayflower Hotel found 39 other countries represented by embassy and legation - President Arthur to the right of the M.C. - our own District Governor "Doc" Reese to the left.

More than thirty Towson Rotarians were on hand to do honor to these men of the hour: Bowyer, Bridges, P.P. Buck, Ferdy, Buck Childs, our Veep, Ebb, Has Forman, Jerry, Treas. Frank, Sunshine, Jim Houck, Speed, Sarge MacK., Pres. Bill, Marsden, I.P.P. Mac, Mallowney, our Noble Sec., Nugent, O'Toole, Doc Reese, a Trio of Reiers, Dr. "Pepper", Frank Williams, Boo Willis, Joe Parker and Herb. Sorry if we missed any!

A perfect dinner was served at last, following Invocation, Salute to the Flag and "America". Having downed Demi Tasse, the Honored Guests were presented and all clubs and special guests - Dist. Govs., past, present, future- were identified. After several very fine vocal solos we settled down to a masterful address by President Arthur.

"Power, wealth and diplomacy are not tools for Rotary's use - Rotary's tools are in every man's hands. For years Rotary has been showing the world how men of goodwill can live in peace and harmony - through the simple ideals of friendship and service."

The United Nations strive to reach their goal through governmental and diplomatic channels - Rotary seeks a similar goal through the simple friendly fellowship of business and professional men the world over - united in the ideal of Service. Our Dist. Gov. presented a fine painting of our Capitol to Pres. Arthur.

During the day President Arthur toured Washington and laid wreaths at the tomb of George Washington (Mt. Vernon) and at the tomb of the Unknown Soldier at Arlington Cemetery.
