

THE DESERT SPOKESMAN

Official Publication of the Rotary Club of Desert Hot Springs, Calif.
Vol. 2 Feb. 22, 1951 No. 26

PROGRAM

President's meeting. Being Washington's Birthday, it is also fitting that we should take a few minutes from our busy day and review the courage, foresight, and integrity which established this nation over 160 years ago. They had their problems, as we have ours but we can win thru if we remember to face our problems with the same courage and work for our freedoms instead of waiting for a few men in Washington to dole them out and limit them.

VISITORS

Visiting Rotarians last week were Ray Bowles of Fairfield-Suisan, A. K. Guy of Seattle, Ted Sierks of Avalon, Bob Benish of Palm Springs, and sojourners John Brewster and John Dekker. Guests were Bob Shiney Dr. Compton and Everett Ely.

INTERNATIONAL SERVICE

pb | Those of us who were able to go to Brawley and meet Pres. Arthur have a new concept of Rotary. From the start of the meeting, with the singing of the three national anthems to the close with a greeting in Spanish from Rotary Ann Christine to the Rotary Anns from south of the Border everyone had a good time. The Imperial Valley Clubs are to be congratulated on a real 4th Object contribution to Rotary and Pres. Arthur and Rotary Ann Christine impressed us with their friendliness and charm. We know they won't forget us and we hope they will come again.
