Easter Seals to Help Cripples

International President of Rotary, **ARTHUR LAGUEUX**, of Quebec (third from left) joins with **J. ARTHUR LAPRES** (right), president of the Quebec Easter Seal Society, in "Operation Stuffing"—the filling of 250,000 envelopes addressed to Montreal citizens each containing a sheet of 100 Easter Seals, and an appeal for

funds to help cripples of all ages. Mr. Lagueux was initiated into the "stuffing" art by a paraplegic, and here he is carrying a load of stuffed envelopes to the sealing machines. At left are **EARLE T. MOORE** vice-president, and **JOHN J. F. BANCROFT**, president of Rotary Club of Montreal.
