Dear Arthur:-

Please permit me to thank you most sincerely for your kind letter of February 22nd, with reference to your recent visit to Georgia. It was indeed a gracious gesture on your part to write to me in this connection and I deeply appreciate your thoughtfulness.

I can assure you that it was a real privilege and pleasure to have Christine and you in our midst and the entire State of Georgia was highly honored by your presence. Both of you made a tremendous impression upon everyone who had the opportunity of meeting you and your address to the Rotary Club of Savannah was a most excellent one from every standpoint. In fact, it was one of the very finest speeches I have ever heard and I thoroughly enjoyed every word of it. You deserve the highest commendation of Rotarians throughout the world for the splendid manner in which you have lead the movement this year.

Once again I want to tell you that I will never cease to be grateful to you for your very kind remarks about me. Such gracious words are always appreciated and especially so when they are spoken before a group of one's home folks.

With love to Christine and all good wishes for your continued success, in which Elizabeth joins me.

Always sincerely yours,

Porter
