FELLOWSHIP DINNER

SATURDAY EVENING MAY 19, 1951
ROTARY INTERNATIONAL ASSEMBLY

WELCOME BACK!

Once again Lake Placid Club is privileged to offer a meeting place for the Rotary International Assembly, whose distinguished delegates and their families have come here from all parts of the world. No doubt some of you took part in the 1949 Assembly which the Club was also privileged to entertain. To you, as to old friends, we say: Welcome back! We are happy to renew your acquaintance. To those others who are visiting Lake Placid Club for the first time our greeting is no less warm and friendly. On this occasion of your Fellowship Dinner, we of Lake Placid Club are conscious of a special feeling of fellowship for Rotary International Assembly, and we will do our best to demonstrate this in every fitting way thruout your stay here.

Cordially yours,
E. Truman Wright
General Manager
